ACC Phase II

Melissa Eddleman
Behavioral Health and Managed Care Supervisor
Our Mission

Improving health care access and outcomes for the people we serve while demonstrating sound stewardship of financial resources
Moving toward more coordinated and integrated care that increasingly rewards improved health.
Accountable Care Collaborative

Improve Health and Reduce Costs

Medical Home

Ensure Medicaid members have a focal point of care.

Regional Coordination

Medicaid members have complex needs and are served by multiple systems. Regional umbrella organizations help to coordinate across systems.

Data

Members, providers and the system receive the data needed to make real-time decisions that improve care, increase coordination of services and improve overall efficiencies.
Phase II Goals

• To improve member health & reduce costs

Phase II Objectives

• Join physical and behavioral health under one accountable entity
• Strengthen coordination of services by advancing team-based care and health neighborhoods
• Promote member choice and engagement
• Pay providers for the increased value they deliver
• Ensure greater accountability and transparency
